Expense Policy

Equipment and learning

Laptop reimbursement

The laptop reimbursement limit is INR 60,000 per employee, once every 36 months. Employees must obtain manager approval before purchase. An itemized invoice in the employee's name is required. Company-issued laptops are not eligible for a second reimbursement.

Monitor allowance

The external monitor allowance is INR 15,000 once every 36 months. Manager approval is required before purchase. Accessories are covered only when explicitly approved.

Learning budget

The annual learning budget is INR 12,000 per employee per financial year. It covers approved job-related courses, books and certification exam fees. Obtain manager approval before enrolling. Unused learning budget does not carry forward.

Expense Policy

Travel and claims

Submitting a claim

Employees must submit reimbursement claims within 30 calendar days of the expense date. Upload an itemized receipt and the manager's approval to the expense portal. Finance may return incomplete claims for correction.

Domestic travel

The domestic hotel reimbursement cap is INR 3,500 per night, excluding applicable taxes. The domestic meal allowance is INR 800 per day. Expenses above these caps need written approval before travel.

Payment timeline

Approved reimbursement claims are paid within 10 working days after final finance approval. The payment is made to the employee's registered bank account.
